GMP Mastery™ Coaching Workshop Description

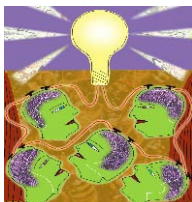

The Third Commitment of Mastery: ***“We must be Courageous and Contagious!”*** requires that all managers be capable of strategically and proactively leading their organization into the future.

The key to truly effective leadership lies in mastering a wide range of skills, from implementing and administrating processes to inspiring others to achieve excellence.

This workshop starts a discussion on carefully identifying possibilities to lead innovation and taking advantage of those opportunities.

It explores essential leadership techniques, and discusses putting them into action in a variety of situations.

You will be challenged to evaluate your effectiveness as a leader and develop a specific and customized action plan for applying the workshop critical thinking and practice points to your organization.
